These enhancements were designed to provide beginning teachers with more practical experience, education foundations and exposure to teaching methods that reflect the diverse needs of Ontario students.

In accordance with subsection 15.2 (3) of the Accreditation Regulation, Brock University was required to submit a verification report to the Accreditation Committee on or before March 1, 2016 to demonstrate that their accredited programs of professional education satisfy the amended accreditation requirements as they read on September 1, 2015. - (b) confirming that the program substantially satisfies the requirements for accreditation and adding conditions for the continued accreditation of the program or changing conditions previously imposed on accreditation; or
- (c) revoking accreditation of the program if the Accreditation Committee finds that the program does not substantially satisfy the requirements for accreditation.
