We have completed the audit of the registration practices as requested by the Office of the Fairness Commissioner (“OFC”) and attach one copy of our report.

Our work has been completed only for the processes that were subject to audit as outlined in the Fair Access to Regulated Professions Act 2006 (“FARPA”) and does not necessarily extend to all of the procedures and functions within the applicable process.

We take this opportunity to acknowledge the co-operation and courtesy extended to our representatives by the Ontario College of Teachers personnel during the course of our audit.

If you have any questions regarding the attached report, please contact either Terri McKinnon at (416) 228-1922 or Lori Beausoleil at 905-897-4507.
