---

A new Teachers' Qualifications Regulation was filed last year. While most of the regulation was effective May 20, 2010, there were also changes that become effective on specific dates. Some changes pertain to Additional Qualifications described in the Schedules, and I am writing to highlight those that occurred recently.

### **Effective March 31, 2011 – Additions to the Schedules**

**Schedule A  
Media Arts**

**Schedule C  
Environmental Education  
Occasional Teaching  
Orientation to Teaching in Ontario**

**Effective March 31, 2011 – Additions to the Schedules (Continued)**

**Schedule C  
Teaching Students with Intellectual Needs (Mild Intellectual  
Disability)**

**Schedule D  
Kindergarten**

*Kindergarten is to be removed from Schedule C effective September 30, 2011.*

Links to Additional Qualification Guidelines can be found on the College web site at [www.oct.ca](http://www.oct.ca) -> Additional Qualifications -> Schedules and Guidelines.

I will provide regular memos to highlight future scheduled changes to the regulation, and communicate these to the profession through Professionally Speaking/ *Pour parler profession*. Current versions of all regulations are also available through e-laws, which can be accessed from the College's web site at [www.oct.ca](http://www.oct.ca) -> About the College -> Education Legislation.
