

# Registration Guide for Becoming a Teacher of General Education

To teach in Ontario's publicly funded elementary and secondary schools, you must be a member in good standing of the Ontario College of Teachers. The College is the self-regulatory body for Ontario's teaching profession. It is our responsibility to ensure that everyone who is licensed to teach in this province is qualified.

Please be aware that as of September 1, 2015, Ontario's teacher education program has changed. The four-semester program has an increased practicum of 80 days and includes an enhanced focus in areas such as special education, how to teach using technology, and diversity. As a result of these changes, new teacher education program requirements for certification took effect on September 1, 2015.

Your credentials will be assessed according to these new teacher education program requirements available in regulation, subject to some exceptions.

Under the provisions of the *Ontario College of Teachers Act* and its regulations, applicants with certification in another Canadian province or territory will not be subject to the new teacher education program requirements since they will be assessed as labour mobility applicants.

# Important: Please read the following information carefully about your certification requirements.

As of September 1, 2015, Ontario's teacher education program changed. The four-semester program with an increased practicum of 80 days now includes an enhanced focus in areas such as special education, how to teach using technology, and diversity. As a result of these changes, new teacher education program requirements for certification took effect as of September 1, 2015.

### Professional suitability

You must demonstrate that you are of good character to be able to teach in Ontario. To assess your professional suitability, the College requires that you provide:

- a current Canadian criminal record check report
- complete responses to the Applicant Declaration questions in the online application about your suitability for registration.

The Applicant Declaration is part of the online application and provides the College with information necessary to assess your professional suitability. It includes questions about your certification / authorization to teach in other jurisdictions, previous professional disciplinary proceedings or actions and criminal background.

Questions include, but are not limited to:

- has your authorization and/or certification to teach ever been suspended or cancelled in another jurisdiction, including outside of Canada, other than for failure to pay fees?
- have you ever been subject to an investigation or proceeding relating to working with children or students in capacities other than teaching?
- have you ever been disciplined by an employing school district or independent authority or other educational organization?

The complete Applicant Declaration is contained in the online application. You must answer all questions and provide details and explanations where appropriate before the College can process your application.

If you completed a teacher education program in a jurisdiction outside Ontario, you must also provide a teaching certificate and statement of professional standing from that jurisdiction, even if you never taught there to demonstrate professional suitability.

If you are or were authorized or certified to teach in a jurisdiction outside Ontario, you must provide a teaching certificate and statement of professional standing from each applicable jurisdiction.

# Documents

**When you apply to the College for certification, you will need to provide supporting documents.**

Some documents you must submit to the College yourself, like proof of identity or an original criminal record check.

Other documents, like transcripts or verification letters, must come directly from the institution to the College. If you have had your transcripts or documents previously sent to World Education Services (WES) directly from the granting institution, you may request that they forward a copy of these to the College. Please contact WES for more information. Note: the College will not accept any translations provided by WES, nor any assessment of your credentials made by WES or any other organization.

If you are certified in another Canadian jurisdiction, and you are unable to provide official transcripts, the College will accept a certified true copy from your provincial or territorial ministry of education or college of teachers.

Any certified copy submitted must be a copy of an original document sent directly from a granting institution to the provincial or territorial ministry of education or college of teachers.

Any document, whether a birth certificate or transcript, that is not in English or French must be translated according to the College requirements outlined below.

The College cannot waive requirements for any documents. The College may ask for more information about a document or for more documents. The College does not accept assessments of your qualifications made by other organizations.

## **Translation requirements for any document not in English or French**

You must arrange for a translator acceptable to the College to translate any document not in English or French.

For documents you submit yourself, such as a birth certificate, include the original translation with a copy of the certificate.

Some documents must be submitted to the College by a granting institution on your behalf.

If the College receives an acceptable document from the granting institution that is not in English or French, we will send you a copy once you have applied.

You must arrange for the translation.

When you send us the original translation, include a copy of the foreign-language document.

All translations must be accompanied by an original statement from the translator indicating:

- the translation is accurate and authentic
- the translator belongs to one of the acceptable categories (see “Acceptable translators”)
- the identification number and/or seal, name, address and telephone number of translator
- printed name and original signature of the translator.

### Acceptable translators

To obtain the name of an accredited translator, contact the Association of Translators and Interpreters of Ontario (ATIO) at 1-800-234-5030 or 613-241-2846 (email: [info@atio.on.ca](mailto:info@atio.on.ca); website: [www.atio.on.ca](http://www.atio.on.ca)).

Please confirm with ATIO that the translator is certified to translate into English or French from the language of the document. Translations completed by ATIO candidates for certification are not acceptable.

We also accept translations from:

- the consulate, high commission or embassy to Canada of the country that issued the documents; this information is available at [www.international.gc.ca/protocol-protocole/reps.aspx](http://www.international.gc.ca/protocol-protocole/reps.aspx)
- a Canadian embassy, consulate, or high commission in the country from which the document comes; this information is available at [www.international.gc.ca/cip-pic/embassies-ambassades.aspx](http://www.international.gc.ca/cip-pic/embassies-ambassades.aspx)
- a translator who has received accreditation through a federal, provincial or municipal government in Canada
- COSTI translation services, if no other certified translator is available; COSTI-IIAS Immigrant Services at 416-658-1600, [info@costi.org](mailto:info@costi.org) or [www.costi.org](http://www.costi.org)
- a translator certified by a professional association of translators in Canada, a list of which is available on the website of the Canadian Translators, Terminologists and Interpreters Council at [www.ctfic.org](http://www.ctfic.org)
- a translator certified by The Ordre des traducteurs, terminologues et interprètes agréés du Québec (OTTIAQ), a list of which is available at [www.otfiaq.org](http://www.otfiaq.org).

**Keep copies of what you submit as the College does not return documents.**

### Questions?

### Documents you must submit

#### Proof of identity

The College requires proof of your identity, a copy of an official document that shows your:

- first, middle and last names at birth
- date and place of birth.

Submit a copy of one of the following documents. Or submit copies of more than one if needed to show all the information above:

- birth certificate
- passport
- Certificate of Indian Status
- certificate of baptism if born in Québec or in Newfoundland or Labrador before January 1994
- Permanent Resident Card (front and back)
- Canadian immigration record and visa (front and back)
- Record of Landing (front and back).

These are not acceptable as proof of identity: driver's licence, Ontario health card, Canadian citizenship card.

**All documents not in English or French must be translated.**

### **Proof of name change, if applicable**

If you married and changed your name, send a copy of your marriage certificate.

If you changed your name legally, send a copy of the change of name certificate or the court order that changed your name.

### **Canadian criminal record check**

You must submit an original, signed, Canadian criminal record check report.

The report must not be older than six months from the date the College receives it. The report must include your current and past full names. These will have to match your proof of identity documents.

The report must indicate that a search was done on all of your names (including first, middle, last and any former last name) using the Canadian Police Information Centre (CPIC) database. A vulnerable sector check is not required for registration with the College.

You can obtain a criminal record check report from a local, regional or national police service.

If you are applying from outside of Canada, you can obtain a criminal record check by contacting the Royal Canadian Mounted Police (RCMP) at [www.rcmp-grc.gc.ca](http://www.rcmp-grc.gc.ca).

Having a positive declaration and/or information obtained from a criminal record check will delay processing of your application.

Having a criminal record does not mean you are automatically ineligible for certification. If there is something on your criminal record, your application will not proceed until the College receives a signed letter from you that explains in detail all the dates, circumstances and outcomes of the events. The College assesses each report individually.

**Check the date on your criminal record check. The College must receive it within six months of the issue date.**

### **Teaching certificates from other jurisdictions, if applicable**

If you completed a teacher education program outside Ontario or were licensed in another jurisdiction, you must submit a copy of your teaching certificate, principal's certificate, or other document that confirms you were authorized to teach. This applies even if you did not teach there.

If you were authorized to teach in more than one jurisdiction, you must provide copies of the authorizations issued by each jurisdiction.

Any certified copy submitted must be a copy of an original document sent directly from a granting institution to the provincial or territorial ministry of education or college of teachers.

The College knows many countries do not issue these certificates. Many applicants can meet this requirement by sending a copy of their teacher education degree or diploma scroll to the College. For more information, see [www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info](http://www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info), or contact Client Services at the College (416-961-8800 or toll-free in Ontario 1-888-534-2222) for more information.

**Keep copies of what you submit as the College does not return documents.**

## Documents an institution must submit for you

Some documents must be submitted by institutions directly to the College on your behalf, such as transcripts. Please visit [www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info](http://www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info) for more detailed information about your document requirements. The College cannot accept these documents from you even if they are in a sealed envelope.

If the documents are not in English or French, ask the institution to include an English or French covering letter that includes your full name as it appears on your College application and your College application number. When we receive the document, we will send a copy to you once you apply so that you can arrange for translation. See “Translation requirements” on page 6.

If you have difficulty obtaining a document, you may be able to submit an alternative. Check the College website at [www.oct.ca/becoming-a-teacher/internationally-educated-teachers/required-documents](http://www.oct.ca/becoming-a-teacher/internationally-educated-teachers/required-documents).

## Transcripts

If you completed your education in Ontario, you may be able to order transcripts from the Ontario Universities’ Application Centre (OUAC) by clicking on the OUAC Transcripts link in your online College application.

Or check with the registrar’s office at the institution where you completed your education to find out how to order your transcript.

Transcripts issued to students and submitted to the College in a sealed, unopened envelope are not acceptable and will not be returned.

You may find it useful to review the information the College has gathered about academic documents from the country where you completed your education. For more information, see [www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info](http://www.oct.ca/becoming-a-teacher/internationally-educated-teachers/country-info).

The College recognizes that some jurisdictions issue transcripts once only. If this is your case, bring your original academic record and diploma or degree document to the College in person or send it to us by mail for verification. In this circumstance, we will return your original documents by courier.

**In addition to your transcript, the College may ask you for a copy of the degree, diploma or certificate you received.**

**The College cannot waive the requirement for any document.**

## Teacher education program transcript

If you have completed the first session of a multi-session program in Ontario or another Canadian jurisdiction:

You must arrange to have your partial teacher education transcript sent to the College. Contact the institution where you completed your first session of a multi-session program and ask them to send a transcript to the College.

The transcript must show you have completed 10 days of supervised practiced teaching and 12 postsecondary credits – or their equivalent – and must:

- have the institution’s seal
- show the date the credits were completed and the hours or credits for each course
- be signed by the registrar or equivalent official.

**Note: the minimum practicum requirement applies to teacher education programs that began on or after September 1, 2015.**

If you have completed your teacher education program:

You must arrange to have your teacher education transcript sent to the College. Contact the institution where you completed the program and ask them to send a transcript to the College.

The transcript showing that your teacher education degree or credential has been granted (conferred or awarded) must:

- have the institution’s seal
- show the name of the degree or credential
- show the hours, or credits completed in each course
- show the date it was granted
- be signed by the registrar or equivalent official.

Transcripts and verification letters must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.

**Verification letter for teacher education program, if needed**

The information listed on an academic transcript can vary, depending on the jurisdiction. In some cases the College will need, in addition to the transcript, a letter from the institution that shows you have completed all the components of an acceptable teacher education program.

The College needs this information on the transcript or in the letter:

- the dates you attended and completed the program
- the name of the credential or degree granted and the date it was granted
- the hours or credits, of study you completed for each course according to each term or year of study
- if your program focused on the secondary school level, the specific subjects for which you completed course work
- if the entire program was in English or French, verification of the language of instruction
- the specific subjects for which you completed courses in teaching methods
- method of delivery for all your courses (for example, in-class, distance or employment-based)
- length of practicum in hours, days or weeks
- the grade levels and subjects you taught in the supervised practicum.

This letter must have the institution’s seal and the signature of the registrar or equivalent official.

If your teacher education program was outside Canada or the US, sending a copy of your course descriptions can be helpful.

All documents not in English or French must be translated. See page 6 for translation requirements and accredited translators.

Transcripts and verification letters must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.

### Postsecondary studies transcript

Order your transcript from OUAC if you completed your postsecondary studies in Ontario, or contact the institution where you completed your postsecondary education and ask them to send an academic transcript to the College. If some of your credits came from a different institution, you may have to get a transcript from that institution as well. The transcript showing that your postsecondary degree has been granted (conferred or awarded) must:

- have the institution's seal
- show the name of the degree or credential
- show the date it was granted
- be signed by the registrar or equivalent official.

### Verification letter for postsecondary degree, if needed

If the following information is not included on your transcript, ask the institution to also send the College a letter with the institution's seal and the signature of the registrar or equivalent official verifying:

- the hours or credits of study you completed for each course according to each term or year of study
- the name of the degree or credential you were granted
- the date your degree was granted.

**Transcripts and verification letters must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.**

### Proof of language proficiency, if applicable

If you meet the College language proficiency requirement as described on page 4 (first two bullet points) you do not need to provide additional documents.

If you must provide proof of proficiency in English or French, you may do so in one of these four ways:

1. if you completed your teacher education program entirely in English or entirely in French, ask the head of the institution you attended to send a letter to the College. The letter needs to confirm the language of instruction for the entire program when you attended. If the College's evaluation of your teacher education program finds it unacceptable, you will have to use option 2, 3 or 4 to prove your proficiency in English or French.
2. if you completed both your elementary and postsecondary education or both your secondary and postsecondary education entirely in English, ask each institution to send a letter to the College confirming English as the language of instruction for the entire program when you attended.

OR

if you completed both your elementary and postsecondary education or both your secondary and postsecondary education entirely in French, ask each institution to send a letter to the College confirming French as the language of instruction for the entire program when you attended.

3. if you completed your teacher education program in a country not on the list on page 4 but you are certified in another Canadian jurisdiction, and at the time of certification you were assessed for language proficiency and met that jurisdiction's requirements.
4. complete one of the acceptable language proficiency tests and ask the testing agency to send your results to the College. If you have special needs because of a disability, please contact the testing agency directly to confirm appropriate arrangements can be made to accommodate you. The College cannot accept test results older than two years.

**Proof of language proficiency must come directly from the institution to the College. The College cannot accept proof from you, even in an unopened, sealed envelope. The College cannot waive the requirement for any document.**

### **Acceptable language tests**

The College accepts results only from these tests.

**Statement of Professional Standing**

The College requires a Statement of Professional Standing from each jurisdiction outside Ontario where you have been authorized to teach or be a principal. This statement provides the College with a reference for your past professional practice and confirms your professional education program lead to a licence to teach in the jurisdiction.

The statement must not be older than one year from the date the College receives it. The licensing authority (most likely an education ministry) must send it directly to the College. The statement must verify if your certificate has ever been suspended, cancelled or revoked.

This applies to the jurisdiction where you completed your teacher education program even if you never taught in that jurisdiction.

**Documents that an institution must send on your behalf, like a Statement of Professional Standing, must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.**

**All documents not in English or French must be translated. See page 6 for translation requirements and accredited translators.**
