Dear Minister Lecce,

**Re: Ontario College of Teachers 2021 Annual Report**

I am pleased to present you with the 2021 Annual Report of the Ontario College of Teachers, including a review of the College's activities and financial affairs pursuant to section 11 of the *Ontario College of Teachers Act, 1996*.

The 2021 report reflects a productive and transformative year working in the public interest as the proud regulator of Ontario's teaching profession. In it, you will find highlights of our:

- transition to the new governance structure, including our work with the Transition Supervisory Officer and the appointment of new Council, committees and rosters
- implementation of the Temporary Certificate program
- development and preparation of the Sexual Abuse Prevention Program.

The report also provides a wealth of demographic and statistical information about teacher qualifications, origin of applications, and more.

An online version of the report, including detailed statistics dating back to the College's inception, is available at <https://oct.ca/about-the-college/annual-reports>.

If you have any questions or require further information, please don't hesitate to contact me directly at 416-961-8800, extension 606, or at [cbelisle@oct.ca](mailto:cbelisle@oct.ca).

Sincerely,
